

Schaumburg Choral Artists

Member Responsibility Acknowledgement Form

Attendance Policy

Attendance is one of our highest priorities. Members who are unable to meet the attendance requirements will be excused from the relevant concert performance. This could impact participation in the group moving forward.

- 1 absence permitted for Fall Concert season.
- 1 absence permitted for Presto! Concert season.
- 2 absences permitted for Spring Concert season.
- Concerts and the final rehearsal of each concert cycle are mandatory.
- In the case of a unique circumstance, a member may request to “sit out” of a concert season. This request will be reviewed by the leadership team for approval.

Practice and Preparation

- A rehearsal and pacing guide will be provided to every singer. It is expected that notes and rhythms are prepared outside of rehearsal by the date listed on the pacing guide.

Communication Systems

- It is the responsibility of the singers to check for communications via whatsapp and email. Regular updates will be provided throughout the rehearsal process that impact rehearsal locations, call times, what music to prepare, etc...

Concert Attire

- All performers wear “concert black” performance attire. Clothing should be a length and style that does not draw individual attention to the performer.

Payment

There is currently a \$225 participation fee to sing in this choir. Full payment (or a request for a payment plan) must be submitted to Donna Robertelli by the first rehearsal (8/11/24).

I understand the expectations listed above and acknowledge that failure to meet these standards may result in removal from the Schaumburg Choral Artists.
