

Schaumburg Athletic Association **TOPSoccer**

*Adaptive soccer
for children with
special needs*

VOLUNTEERS NEEDED! **NO SOCCER OR OTHER EXPERIENCE NECESSARY!**

SAA TOPSoccer is non-competitive, adaptive soccer program for children ages 5 and older with special needs. Each practice includes activities modified to each individual's unique abilities, strengths, and motivations. Players participate alongside volunteer "Buddies" in a safe and encouraging environment. Buddies are the heart of this program and are typically 12 years old and older.

Participating in SAA TOPSoccer provides "Buddies" the opportunity to:

- *Build meaningful connections and relationships*
 - *Gain experience serving the community*
- *Receive training and mentoring from experts who work with children with disabilities*
 - *Take on leadership roles during practices*
 - *Earn volunteer hours*
- *Experience the joy that comes from helping others*

Practices are held Saturday afternoons from September-November & April – June at Atcher Park. Winter practice dates and locations TBD. Volunteer as your schedule allows.

🏀 Please email TOPSoccer@saa-online.com to become a Buddy. 🏀
