### Commemorative Memorial Brick Program

The laser engraved bricks, available in 4" x 8" or 8" x 8" size, are produced by Midwest Engraving, a leader in the field of engraved recognition products

☆☆☆

The bricks will serve as a lasting memorial at Veterans Gateway Park, dedicated on Veteran's Day, 2005 at the clock tower at Town Square, located at the intersection of Schaumburg Road and Roselle Roads in Schaumburg

☆☆☆

Requests for the purchase of memorial bricks will be accepted on an ongoing basis, with orders placed with Midwest Engraving, as well as installation at Veterans Gateway Park, on a quarterly basis.

☆☆☆

Please Note: Bricks are placed in the Memorial twice a year. For spring placement (mid-May), you must have your order in by February 1. For fall placement (mid-October), you must have your order in by July 1.

☆☆☆

A minimum number of six brick orders are required for each installation. Installations will be postponed until the minimum number of orders have been placed.

Brick Program

## About the Program...

The community Veterans Memorial features a commemorative brick pathway that leads visitors on a journey through history.

The Memorial Brick program provides a special opportunity to show support of our nation's veterans, while leaving a personal, permanent memorial honoring a family member, friend, or loved one.

Bricks can be purchased to honor someone who has served, or is currently serving, in the military force. The bricks come in two sizes, 4" x 8" and 8" x 8", and are inscribed in black lettering- a permanent tribute to those who have served, or are currently serving in the military forces. If your brick is a gift to someone, we will gladly send an acknowledgement to the recipient.

## COMMEMORATIVE MEMORIAL BRICK

Standard design line art logos (e.g. Army, Navy, Marine Corps, etc.) may be placed on the 8" x 8" brick only.

The person or groups (for example, a specific military unit or ship) honored on the bricks does not have to be a Schaumburg resident or organization. However, the message or name has to relate to a veteran, living or deceased, as well as anyone currently serving in the military. Each brick can honor only one individual or organization.

Requests for the purchase of memorial bricks will be accepted on an ongoing basis, with orders placed with Midwest Engraving and installed at Veterans Gateway park on a semi-annual basis.

The Village of Schaumburg reserves the right to reject submissions which are deemed inappropriate.
