

May 12, 2022

In 2021, the State of Illinois enacted Public Act 102-0265 – Property Tax – Vendor Report. This law provides that any taxing district that has an aggregate property tax levy of more than \$5,000,000 for the applicable levy year shall make a good faith effort to collect and electronically publish data from all vendors and subcontractors doing business with the taxing district. The Village of Schaumburg meets this definition.

To collect this information, we established a series of self-reporting classifications on our procurement platform. Vendors are encouraged to complete these questions to complete their profiles. In addition, we created a survey, which was published on our Bids and Proposals web page to allow vendors to self-report. Lastly, we invited vendors to complete the survey with a direct solicitation that was included in all 1099 forms.

As of April 30, 2022, there are 441 total active vendors. A total of 37 vendors have self-reported their classifications. There are 404 remaining vendors that have not yet reported. The self-reported totals are summarized below. Detailed reporting is available on the subsequent pages.

Vendors	Total
Certified Small Business	1
Certified Small Business, Woman-Owned	4
Certified Small Business, Veteran-Owned	1
Certified Small Business, Minority-Owned	3
Certified Small Business, Veteran-Owned, Minority Business	1
Certified Small Business, Veteran-Owned, Woman Business Enterprise	1
