Statement of Activities

Background

The Village of Schaumburg created the Star Line T.O.D Redevelopment Project Area Tax Increment Financing District (TIF) on April 14, 2009, the second redevelopment project area that the Village of Schaumburg has created.

At the time of implementing the TIF, the primary goal of the Village of Schaumburg was to renovate the entire Project Area on a comprehensive and planned development basis in order to ensure that new development occurs:

- On a coordinated rather than piecemeal basis to ensure that the land use, pedestrian access, vehicular circulation, parking, service and urban design systems are functionally integrated and meet present-day principles and standards;
- In a comprehensive manner to ensure that the blight factors are eliminated;
- Within a reasonable and defined time period so that the Project Area may contribute productively to the economic vitality of the village; and
- In a manner that supports and takes advantage of labor, financial institutions, and other resources within the community.

The redevelopment project area qualified as a “conservation area” as defined by the applicable State Act at the time. At that time the area was characterized by the presence of eight qualifying factors as listed in the Act, rendering the area detrimental to the public safety, health, and welfare of the citizens of the village.

The major land-use categories included within the TIF are: office, hotels, restaurants, general business, and multi-family residential. The TIF is approximately 175 acres at the northeast corner of the Jane Addams Memorial (Northwest) Toll Road (I-90) and Meacham Roads.

Financial

The total expenditures are \$71,734 for costs relating to the creation of the TIF. The TIF incremental revenue of \$65,547 was used for all of these expenses.

The Star Line TOD TIF was terminated on December 8, 2011. It terminated after reassessment of EAV's caused a 29% decrease below the frozen value and the likelihood of future developments was not very good. During fiscal year 2022, assessed valuation appeals were resolved and the balance due of \$10,349.50 was remitted to the Cook County Treasurer along with the remaining surplus funds of \$328,424.34.

Sincerely,

Village of Schaumburg

4. **REVIEW OF PROGRESS – MATT FRANK**

Mr. Frank said this was a short-lived TIF district created in 2009 in anticipation of the Blue Line being extended from Cumberland - O'Hare along I-90. That did not come to fruition, so this TIF was terminated in 2011.

Mr. Frank said this was held open for quite some time to get through the property tax appeals with Cook County. We have recently closed that out and Finance has worked to distribute those funds.
