Temporary Stop Relocations

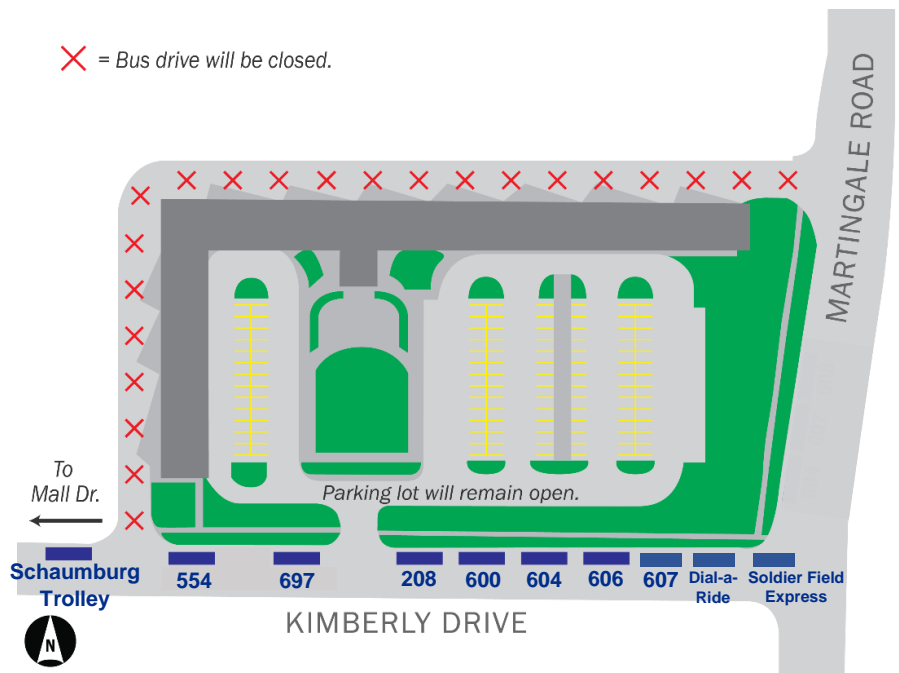

Effective Monday, September 23, 2024

Due to construction at Pace Northwest Transportation Center (NWTC), passenger boarding locations will be temporarily relocated to Kimberly. The parking lot will remain open.

Most routes will detour slightly to serve the temporary boarding locations. As a result, there will be:

- No southbound service on Mall between Woodfield Road and Kimberly as buses approach NWTC.
- No eastbound service on Kimberly between Mall and Martingale.
- No northbound service on Martingale between Kimberly and Woodfield Road as buses leave NWTC.
- No westbound service on Woodfield Road between Martingale and Mall.

✗ = Bus drive will be closed.

Buses will resume service to NWTC when construction is complete, which is expected to be by November 22, 2024. This does not affect the current boarding location for the Soldier Field Express. Please allow additional travel time during this detour.
